

How Does Your Support of the Friends of the Oceanside Public Library Make an Impact?

Your support of the Friends provides essential funds for collections, programs, events, outreach activities and more. This helps the Library fulfill its mission: To engage, inform, connect and inspire.

The Library's Impact in 2022 was substantial. This effect was due in large part to the generous support of the Friends of the Oceanside Public Library.

We are so grateful for their efforts that better the community through Library services and programming!

Friends' Sorting Facility: 169 Roymar Road, Oceanside

For the donation location map and other information, see our Bring Your Books Day announcement at oplfriends.org or [click here](#).

Memorial Day: Monday, May 29, 2023

The Friends Thank Our Veterans for Their Service

Have You Visited the New John Landes Community Center Library?

Our new library location offers books for all ages, a study room, computer access, online resources, and programs and events. Library staff members are on hand to assist you with signing up for a library card, checking out books, or finding just the right spot to sit and read.

To learn more about the John Landes Community Center Library see the latest *See Gull* newsletter at oplfriends.org or [click here](#).

For events and programs at all Library locations, on the Library homepage "Events" tab click "Library Event Calendar" or [click here](#).
